Re: Freedom of Information Act Request – Records Relating to EPA’s Review of State Water Quality Standards under Section 303(c) of the Clean Water Act

Dear Sir or Madam:

I write to request that the United States Environmental Protection Agency (“EPA”) provide copies of the records described below pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552, and EPA regulations, 40 C.F.R. § 2.100 *et seq.*

Subject of Request. The subject of this request is records held by EPA Region 5 relating to its review and approval of state water quality standards that include metals criteria utilizing water-effect ratio (“WER”) adjustments. This includes water quality standards that contain (1) any site-specific metals criteria based on a WER and/or (2) procedures that allow metals criteria to be adjusted on a site-specific basis based on the subsequent development of a WER.

Records Requested. More specifically, I request copies the following public records related to the subject described above:

- Any letter or other communication to a state (or state agency or official) transmitting EPA’s decision under 33 U.S.C. § 1313(c)(3) to (1) approve (including conditional approvals), (2) disapprove, or (3) defer action on state water quality standards adopted or revised by a state that include WERs for any metals criteria.
- Any letter or other communication to a state (or state agency or official) transmitting EPA’s comments on *draft* water quality standards that include WERs for any metals criteria.

Relevant Time Period. This request applies to records created or communicated on or after July 15, 2006.

Costs. If there are any costs for fulfilling this request, you are authorized to incur up to \$250 in costs. In the event that the cost of meeting this request is greater than \$250, please incur up to \$250 in initial costs and then notify me that there are additional records to be obtained and provide an estimate of the cost to obtain all additional records sought by this request and not captured in the initial \$250 limit.

Records Claimed as Exempt. Should EPA respond by invoking a FOIA exemption with respect to any of the records requested herein, please include in your response a privilege log (1) identifying the basic factual material about the withheld item, including author/originator, date created/revised, length, general subject matter, and location; and (2) explanation(s) and justification(s) for withholding of record, including identification of claimed exemption and a full explanation of applicability of claimed exemption to the requested record. Where only a portion of a record is exempt from disclosure, please redact the exempt portion and provide the remainder of the record.

Records Delivery. Please produce the records requested herein on a rolling basis as they become available to:
